Anti-Bullying Policy

1. Principles and Values

- 1.1 At Brigg Primary we firmly believe that every child in our care has the right to feel safe, secure and happy in school or in off-site activities. We recognise the seriousness of all forms of bullying and the impact it can have on those involved. The ethos of our school fosters high expectations of outstanding behaviour. We recognise the value of talking about bullying and of equipping students with strategies for dealing with bullying should they encounter it.

- 1.2 We are inclusive of all in our ethos and outlook. At the heart of our school and our approach to anti-bullying are our values of: respect, determination and self belief. We welcome all to our school, celebrating successes and failures in partnership with parents and the community.

- 1.3 All members of the Governing Body, staff, students and parents have a joint understanding of what bullying is and what the school's procedures are for responding to bullying. Information will be shared via Class Dojo, through regular events and/or workshops for parents/carers.

- 1.4 As a school we take bullying seriously. Students, staff and parents and anyone associated with the school should be assured that we do not tolerate bullying and that they will be supported when such behaviour is reported.

- 1.5 This policy has been devised in-line with the statutory regulations set out in Keeping Children Safe in Education, 2023. It links with other school policies practices and action plans including:-
 - Safeguarding and Child Protection Policy
 - Behaviour Policy
 - Complaints Policy
 - E Safety and Acceptable use guidance
 - Curriculum policies including PSHE and Computing
 - Relationship and Sex Education Policy
 - Staff Code of Conduct
 - Whistleblowing
 - Equality and Diversity policy

1.6 Bullying of staff by pupils, parents or colleagues, is unacceptable. Where this occurs the Governors and Headteacher will follow the appropriate policy. Anyone feeling aggrieved will be encouraged to follow the procedures outlined in the Complaints and Whistleblowing Policies.

2. Definition of bullying

2.1 Bullying is "Behaviour by an individual or a group, repeated over time, that intentionally hurts another individual or group either physically or emotionally." (DfE Preventing and Tackling Bullying, 2017)

2.2 Bullying can be direct or indirect:-

- Physical - kicking, hitting, taking belongings, sexual violence
- Verbal - name calling, taunting, mocking, moderate/severe banter, making offensive comments, sexual harassment
- Non-verbal - gestures, producing offensive graffiti
- Psychological - deliberately excluding people from groups, threats.

2.3 This includes the same inappropriate harmful behaviours expressed via digital devices (sometimes known as cyber bullying.) Examples could be the sending of inappropriate messages by phone, text, Instant Messenger, through websites, social media sites and apps, and sending offensive or degrading imagery by mobile phones or via the internet. (For further information on youth produced imagery see the e-safety and acceptable use policy)

2.4 Bullying behaviour is deliberately hurtful and ongoing. (It is not the same as random unprovoked aggressive acts.) It is unequal and difficult to counteract by the person being bullied as it involves a power imbalance. The imbalance of power can manifest itself in several ways:-

- physical - size of people involved, number of people involved
- psychological - knowing what upsets someone and deliberately doing it
- socially - deliberately isolating someone

It can result in the intimidation of a person or persons through the threat of violence or by isolating them either physically or online.

Low level disruption, offensive language, banter and horseplay will be challenged. Where this occurs clear expectations of behaviour will be set to prevent negative behaviours escalating.

2.5 An act, or acts, of bullying can take place at any time in or outside school premises or hours. This policy will apply at any point whilst a child is a registered pupil at our school. All staff are trained to be vigilant about all forms of bullying

and/or peer abuse.

3. Forms of bullying

3.1 Bullying can happen to anyone. This policy covers all types of bullying including:-

- Bullying relating to **Race and Culture** - derogatory assumptions or generalisations about colour of skin, accent or the way they talk, ethnic grouping, references to terrorism, dress etc.
- Bullying relating to **Religion** - derogatory assumptions or generalisations about religion, religious taunts and intolerance.
- Bullying relating to **Disability** - derogatory assumptions or generalisations about a young person's disability.
- Bullying relating to **Sexual Issues**- unwanted physical contact or sexually abusive comments including sexual harassment and sexual violence.
- Bullying relating to **Sexual orientation**- Homophobic / LGBTQ+ - ridicule, gestures, malicious warning others about a person, put downs, insults, etc.
- Bullying relating to **Perceived Differences** - the way someone looks, talks etc. Bullying relating to **Special Educational Needs** - learning difficulties or being gifted/talented
- Bullied because they are a **Child in care or Adopted**
- Bullied because they are a **Young Carer**
- Bullied because of **Other** reasons i.e. jealousy, friendships

3.2 We are a TELLING school. We encourage and support all members of our school community to report bullying. Students may not be aware that they are being bullied due to their age, level of special educational need or vulnerability. It is the responsibility of the school community to be vigilant and ensure that all our students feel and are safe.

4. Why is it important to respond to bullying?

4.1 Bullying hurts. No one deserves to suffer from bullying. Everybody has the right to be treated with respect. Students and staff who are bullying need to learn different ways of behaving. The school will take necessary steps to assist this change in behaviour including disciplinary action.

4.2 A proactive approach to identify and act upon potential signs of bullying will help in dealing with issues prior to them being formally raised. The signs and behaviours (below) could indicate other problems, but bullying should be considered a

possibility and should be investigated. Other signs may be present which are not mentioned here:-

- Frightened of walking to and from school
- Does not want to go to school
- Changes their school routine
- Begins to truant
- Becomes withdrawn, anxious or lacking in confidence
- Cries themselves to sleep at night
- Has nightmares

7.1.2 Parents must leave the initial investigation to the school. Any attempt to resolve the issue themselves is likely to make the matter worse.

7.3.5 Parents should be informed and will be asked to come into a meeting to discuss the problem as part of the investigation.

7.3.6 Consequences may be applied where bullying is identified.
