Dear Parents/Carers,

Due to safety reasons, jewellery is not allowed to be worn in school. The exception is one pair of small stud earrings which will be permitted for pierced ears only however, earrings should be removed during PE activities including swimming lessons.

The parent or carer of a child, who is unable to remove their earrings due to them being newly pierced, must sign the disclaimer form below and provide plasters or micropore tape to cover the earrings during these activities.

Thank you for your co-operation

Mrs Atkinson  
Headteacher
