

PARENT INFORMATION BOOKLET

Brigg Primary School and Nursery

2026/2027

WELCOME TO BRIGG PRIMARY SCHOOL AND NURSERY

At Brigg Primary School, children from Nursery through to Year 6 are encouraged to develop a love of learning through a rich and varied curriculum. Our exciting themes are brought to life through visits, visitors and a wide range of experiences that inspire curiosity and broaden children's understanding of the world around them. Learning is further enriched through our extensive programme of school clubs and activities, providing children with opportunities to discover new interests, develop talents and build confidence.

We are incredibly proud of the strong sense of community and team spirit that exists across our school. Staff, children, parents and governors work together in partnership, with a shared commitment to ensuring that every child is supported to achieve their very best. We are continually striving to improve and develop, and this is reflected in the positive learning environment around our school, the attitudes and achievements of our children, and the many successes we celebrate together. We value academic achievement alongside personal development, recognising that both are essential in helping children become confident, capable and caring individuals.

Our strong links with our local community and families are a valued part of school life. Children thrive when home and school work together, and the support and encouragement provided by parents and carers make a significant difference to their learning and development. We are committed to building positive relationships with every family and believe that an open, honest and supportive partnership is central to the success and wellbeing of our children.

Our continued success depends upon working together, listening to one another and sharing a common purpose. We encourage children, parents, staff and members of our wider community to talk to us, ask questions and share ideas. No concern is too small to discuss, and our door is always open. Every voice matters, and we value the contribution that each member of our school community makes.

Whether you are a pupil, a parent or carer, a member of staff, a governor or someone joining our school community for the first time, you are very welcome at Brigg Primary School.

We look forward to working with you and sharing in your child's learning journey.

Hand in hand, we can grow.

Mrs Atkinson

Head Teacher

OUR VISION

Inspiring today. Empowering tomorrow.

At Brigg Primary School, we believe every child has the potential to achieve great things.

We nurture curious minds, confident individuals and caring citizens, giving every child the knowledge, skills and values they need to thrive – both in school and throughout life.

We empower our children to believe in themselves, discover their strengths and take ownership of their future. Through high expectations, rich experiences and a culture built on respect, kindness, inclusion and acceptance, we encourage every child to dream big and have the courage to pursue those dreams.

As our children move on to their next adventure, we want them to be ready, resilient and equipped to make a positive difference to the diverse world around them.

We are proud to walk alongside our children on their journey, helping them to grow as learners, as individuals and as members of our community.

“Hand in hand, we can grow”

OUR VALUES- Super Powers

OUR AIMS

At Brigg Primary School, we want every child to feel happy, safe, valued and inspired to achieve their very best. We aim to:

Create a happy and inclusive school community

Provide a welcoming, safe and nurturing environment where every child feels a strong sense of belonging. We celebrate what makes each child unique and encourage everyone to treat one another with kindness, respect and understanding.

Inspire a love of learning

Provide a broad, balanced and creative curriculum that develops strong foundations in reading, writing, mathematics and technology, while encouraging children to be curious, ask questions, solve problems and think for themselves.

Celebrate achievement and encourage children to do their best

Create a positive culture where children are encouraged to challenge themselves, learn from mistakes and take pride in their progress. We recognise and celebrate achievement in all its forms, understanding that every child's journey and successes are different.

Support children's wellbeing and confidence

Help children develop positive self-esteem, resilience and emotional wellbeing. We equip them with the confidence and skills to make positive choices, face challenges, manage change, take appropriate risks and cope with the ups and downs of life.

Develop responsible and caring citizens

Encourage children to understand and respect the world around them. We help them develop positive attitudes towards their local community and wider world, encouraging them to be curious, open-minded, responsible and willing to listen to and learn from others.

Prepare children for their next steps

Give every child the knowledge, skills, confidence and values they need for the next stage of their journey. We encourage children to make informed choices, believe in their own potential and develop the independence they need to succeed both at school and throughout their lives.

Above all, we want our children to leave Brigg Primary feeling proud of who they are, confident in what they can achieve and ready to make a positive difference in the world.

Hand in hand, we can grow.

	Miss C Pickering, Miss A Smith	

GENERAL INFORMATION

School Hours

Morning:	(8.45am doors open) 8.55am to 11.55am Nursery (8.45am doors open) 8.55am to 12.00pm Reception and KS1 (Y1-2) (8.45am doors open) 8.55am to 12 noon (KS2) Y3 – Y6
Afternoon:	12.25pm to 3.25pm Nursery 1:00pm to 3.25pm Reception and KS1 (Years 1 and 2) 1:00pm to 3.30pm Y3-6

We like parents to encourage pupils to be punctual but remember it is better to be late than absent. Parents should try not to have children waiting on the playground too early especially in cold wet weather. Five minutes before school begins is soon enough. Please note that the playground is unsupervised in the morning.

School Lunches

Lunch break lasts from 12.00pm to 1.00pm. Children who stay for lunch from the Nursery Class have lunch between 11.45am and 12.15pm.

Meals are provided by North Lincs Catering Services.

Your child may be eligible for Free School Meals. Application forms are available from (<http://www.northlincs.gov.uk/schools-libraries-learning/schools-colleges-education/school-meals/free-school-meals/>)

Meals cost £2.95 per day, we run a cashless system and all payments are made through the Arbor App. Please note all pupils in Reception, Year 1 and Year 2 receive free meals as part of the universal free school meals programme.

Children may also bring a packed lunch. For safety reasons we do not allow bottles, jars or thermos type flasks with a glass interior.

Attendance

We actively encourage children to avoid absence from school. We do require a **full explanation** (either via phone (option 1) or attendance@briggprimary.co.uk) of a pupil's absence from a Parent/Guardian. Failure to provide the school with an explanation will be noted as an Unauthorised Absence and form part of the persistent absence statistics required by the Department for Education.

Every child's attendance is closely monitored and letters are sent home if it becomes a concern. Parents / carers may also be invited into school to discuss ways in which the school can help.

If it is necessary to withdraw your child from school during school hours, **it is essential that the parent signs the pupil out using the electronic system at the reception.**

Leave of Absence

From the 1 September 2013, headteachers have the discretion to grant leave of absence, but they should only do so only in exceptional circumstances. If a headteacher grants a leave of absence request, it will be for them to determine the length of time that the child can be away from school.

NB The Headteacher will not grant leave of absence for the purpose of a family holiday.

Applications for leave of absence in term time should only be made if there are exceptional circumstances as to why the leave cannot be taken outside of term time and these circumstances **must be detailed on the leave of absence application form**. Evidence in support of these circumstances must be provided to the school with the

application form, (retrospective consent will not be given). Each request will be looked at on the exceptional circumstances detailed on the application form. Any absence taken without the permission of the head teacher will be recorded as unauthorised absence on the school register, which is a legal document.

'From August 2024, the fine for school absences across the country will be **£80 if paid within 21 days**, or **£160 if paid within 28 days**. This rate is in line with inflation and is the first increase since 2012.

In the case of repeated fines, if a parent receives a second fine for the same child within any three-year period, this will be charged at the higher rate of £160.

Fines per parent will be capped to two fines within any three-year period. Once this limit has been reached, other action like a parenting order or prosecution will be considered.

If you're prosecuted and attend court because your child hasn't been attending school, you could get a fine of up to £2,500.'

(<https://educationhub.blog.gov.uk/2024/08/19/fines-for-parents-for-taking-children-out-of-school-what-you-need-to-know/>)

Admissions

The School's admission policy arrangements adhere to the published criteria contained in the current North Lincolnshire Schools' guide.

The school has a nursery. Places are usually offered on a part time basis. If space allows parents may increase these hours to full time, either by using the 30 hours funding or 15 hours with a financial 'top up'. Please ask at the office for further details. Children are admitted into the Reception classes in September.

Access to Information

Brigg Primary School processes personal data about its pupils and is registered with the Information Commissioners Office (ICO). A privacy notice for parents and pupils is given out in the first registration pack and are available in the school administration office. This explains the grounds for processing personal data and the lawful reasons why it is shared and who with.

Should you wish to change, amend or view personal data held by the school please contact the school office.

As it is important the information we hold is up to date a new data collection sheet is signed annually to ensure the information held is correct.

Further details can be obtained by contacting school or visiting the school website (www.briggprimary.co.uk) or Local Authority website (www.northlincs.gov.uk).

Homework

All children are expected to read at least 3 times per week. Children are also expected to complete weekly English (spelling) and Maths (times tables / Learn Its) homework tasks and parents are encouraged to take an active part in this. All pupils receive Dojo rewards for completion of homework.

Assessment

Your child's progress in all aspects of school curriculum will be assessed and recorded by their teacher. A system of continual assessment is implemented by each teacher and may involve specific assessment tasks, weekly tests, topic tests or nationally standardised tests.

You will be informed of your child's progress through the National Curriculum with annually written reports. There are also organised times during the school year when you are able to discuss these matters with your teacher.

Inclusion

Some children may require additional help during their time in school. Class teachers will liaise with parents and, if necessary, the Special Educational Needs Co-ordinator.

Parents of all children on the SEND register receive regular updates about their child's progress and are always involved prior to any support agency e.g. Educational Psychologist involvement.

Our aim is to ensure all children have equal access to the full range of the school curriculum.

Children with Special Educational Needs are registered and taught using the arrangements stipulated in the Special Education Code of Practice and Disability Act. Class teachers cater for the needs of each child within the classroom situation. If further assistance is needed, this provided by our designated support team.

The school has a comprehensive written policy for Special Educational Needs. SEN provision is monitored by Governors.

The school follows the requirements of the Disability Act and our school has full access for disabled pupils.

We work closely with support agencies e.g. Hearing Impaired Unit, Autism Team, Behaviour Support, Speech Therapy etc. to ensure that children are provided with the specialist support and equipment that they need.

We will seek to provide to the best of our ability any resources or adaptations that are necessary to meet individual needs.

Please see our SEND Information Report on the website for more information.

Behaviour

The school is keen to reward good behaviour and uses Class Dojo to support this. Dojos are awarded for positive behaviours, such as good listening, good work as well as for specific work – phonics, spelling, reading, maths etc. Children whose work or behaviour/attitude stands out can receive a 'star' dojo too. Staff follow the same system throughout the school when dealing with challenging behaviour.

Parents will be informed of serious misbehaviour and encouraged to discuss the matter with the school in an effort to find a solution.

There is a School Behaviour Policy available for inspection. A summary of the behaviour policy is included at the end of this document.

School Uniform

General Uniform

Our general uniform consists of:

School logo/plain red jumper or cardigan

Red/white polo shirt or white shirt/blouse

Grey/black skirt, shorts or trousers (not leggings)

School dresses (red/white)

School pinafore (grey/black)

Parents are asked to send their children to school wearing sensible black shoes or plain black trainers (no logo).

Please note: Girls uniform needs to be suitable for outdoor play including being upside down, rolling, climbing or jumping. Cycling shorts worn under a school skirt/dress are a good addition.

PE Uniform

As a school we will ask that children come in PE uniform on their PE days (These are shared on our social media platform and through the phase termly newsletter). We hope that this will reduce chances of garments getting lost and more importantly, enables us to extend our PE sessions as we waste less time getting changed. Clearly, the more time being active is more beneficial for children. However, I would like to stick to our general uniform values. So the PE uniform should consist of:

- Trainers
- White/red polo top/t-shirt
- Black leggings, joggers or shorts (without logos)
- School Sweatshirt or red jumper without a logo

Children may bring in an additional top or shorts when it is hot, but these will be only changed into during the PE session.

Wellington Boots and Coat

We request that all children have a pair of wellies that can be kept in school. We are an OPAL principles of play school where children will be able to use the school field all year round in order to maximise the quality of play in school whilst also providing greater opportunities to be active at school. Wellies can be sourced cheaply from shops such as ASDA, Sports Direct, Go Outdoors and Amazon. There are many offers available on Ebay too.

If any parents have any good quality children's wellies that no longer fit, please send them in so that we can pass them on to other children.

Coat

We ask that you provide a waterproof coat for your child as we intend on taking the children out in most weathers.

Our uniform provider is uniform direct. All uniform with the school logo on can be ordered through www.uniformdirect.co.uk We stock red book bags in the school office.

Please make sure ALL ITEMS are clearly labelled with the child's name.

Hair

We ask that long hair is tied back for PE lessons. Hair accessories should be minimal please. Children wearing 'fancy dress' type headbands will be asked to remove them when in school. Extreme haircuts such as bright colours are not allowed.

Jewellery

The only pieces of jewellery permitted in school are a non-smart watch and stud ear-rings.

Earrings

Ideally, any children wearing earrings should be old enough to remove them for PE. If this is not possible then parents and carers should remove earrings on PE days. If ear-rings are not able to be removed the child will be asked to cover them with surgical tape.

Lost Property

We try to find and return to children any items of lost property. A display of lost property is available for inspection at the end of each term. It always helps if belongings are clearly marked with the owner's name. To lose anything of value, either materially or emotionally, is distressing so we would emphasise that:

- a. Articles of value should not be brought to school.
- b. Money should not be brought into school.
- c. Compensation is not available from the L.A's insurance provision.

Educational Visits and Activities

Well-planned and organised school visits form an invaluable part of the school curriculum as springboards for, or extensions of, class studies and projects. From time to time your child will have the opportunity to participate in these visits and some parents may be asked to accompany the children in a supervisory capacity. The nature of the visit will determine the time involved but these visits frequently occupy a whole day.

Year 6 pupils are invited to attend a residential visit at PGL, Caythorpe Court, near Grantham. This usually takes place in the Autumn term.

School Policy on Finance

Each school visit follows guidelines established by the North Lincolnshire Authority. The agreed policy of the School Governors on charging for school activities is as follows: Voluntary contributions must be asked for if these valuable educational experiences are to be provided for the pupils. To maintain a fair policy, the Governors would expect a voluntary contribution from each pupil attending such a visit. Failure to contribute by one or more persons would jeopardise such visits. (See Charging and Remissions Policy). Payment by instalment is available for all trips and visits.

Extended School Activities

The school offers a wide range of activities, which the children can follow either at lunchtime or after school. These activities vary from term to term.

These are organised so that all year groups have access to some clubs during the school year. Letters are sent out each term and each club runs for a half term.

Before and After School Childcare.

This September we have launched our school run breakfast and after school clubs. See the information at the end of booklet for further details.

Special Events

During the year your children may be involved in a special event. Some examples are listed below:

Concerts: There are Christmas performances by Foundation Stage and Key Stage One. Year 6 present a leaver's concert in the Summer term.

School Fairs: We hold a Summer fair each year. Donations are welcome and there are lots of activities and games to take part in.

Sports Days: Both Foundation Stage/KS1 and KS2 have Sports Days. Every child takes part.. These are held in the summer term.

School Council

Pupils from Year One to Year Six are elected by their classes to form the School Council each September. The School Council are responsible for organising events and contribute to decision making on a wide level.

STARTING SCHOOL

Starting school is a significant event for both children and their parents. We recognise that although many children will be excited about this, some children and parents may feel anxious about starting full time education.

We will work in partnership with you to ensure that we support you and your child throughout this transition and provide the best start we possibly can on this first step of their educational journey. We ask that you support us in this by preparing your child for school by encouraging them to be independent and recognising the importance of helping them to reach their full educational potential.

More advice can be found in the information that we distribute to all new parents in our Foundation Unit.

PUPIL WELFARE AND SAFEGUARDING

Medical Matters

The school nurse regularly checks some pupils' health status. During the children's first and last year at school the school nursing team will come to measure the children's height and weight.

Medicines

As attendance is important to a child's education, school staff are prepared to administer prescribed medicines. The admin staff will give prescribed medicines if parents / carers are unable to come to school to administer the medication themselves. A form (from the school office) must be completed by the parent / carer giving permission for this to happen.

Other medication can also be given but will still require a form to be completed.

Asthma and allergies

Inhalers and Epi pens are stored in a secure cupboard in the classroom, ensuring that the children have immediate access to their own medication and to allow for quick access by staff.

Illness

Although we do our best, we do feel a sick child is better at home. In cases where illness is suspected parents will be contacted by telephone. Please allow 48 hours after sickness or diarrhoea before returning your child to school.

First Aid

The school has a First Aid policy, which will be followed if First Aid is required. Parents are notified of any first aid administered via Medical Tracker.

Pastoral Care

We are very fortunate to have a dedicated nurture team, called 'The Forest Family'. This team is led by Mrs Riggall, our Lead Learning Mentor, and is supported by Mrs Kilbee and Mrs Dennison every afternoon. The team offer 1:1 support, group and individual therapies and our designated Nurture Room is available at lunchtime for all children who wish/need to use it.

Pastoral care is in the hands of the class teacher in the first instance, with phase leaders having overall responsibility. Mrs Riggall is available to support parents with any issues relating to family life, either at home or within school.

Please do not hesitate to get in touch should you need our support.

Child Protection/Safeguarding

The school has a rigorous Child Protection Policy of which all staff are aware. The school is expected, by law, to contact external agencies if concerns regarding pupil welfare warrant further action or support. Mrs Atkinson is the school's Designated Safeguarding Lead and Mrs Archer, Mrs Taylor and Mrs Riggall will deputise in her absence. Our named Child Protection Governor is Karen Lyth.

We make every effort to ensure the safety of all our children. The policies are written in conjunction with the governors and are available on the school website. Notably, parents are given access to recordings of school performances but are not permitted to take photographs or videos of school events. We operate a no phones policy within the school grounds, including the playground.

eSafety

We believe that eSafety is the responsibility of the whole school community, and everyone has their part to play in ensuring all members of the community are able to benefit from the opportunities that technology provides for learning and teaching. The school eSafety policy outlines how we all contribute to eSafety. In addition, we have an Online Safety offer, which details the tailored offer of online safety teaching.

PARENTS INVOLVED IN SCHOOL

Parents are most welcome in Brigg Primary School. It is our aim to develop a mutually beneficial partnership between home and school. Parents helping with educational activities including hearing readers and accompanying classes on educational visits are always welcome. If any parent wishes to help in any such activity they should contact the class teacher. Please remember that a police check (DBS) is required for anyone wishing to help in school on a regular basis. Parent helpers are required to sign the Parent Helper's Agreement before working in school, or helping on a trip.

Teacher meetings for Parents

Parent evenings are timetabled for the Autumn and Spring terms when appointments with the teachers can be made to discuss children's progress. Written reports are sent to parents in July and an informal Open Afternoon takes place after this. Parent questionnaires are also sent out annually.

However, if you have any concerns outside of these times, please do not hesitate in speaking to your child's teacher.

Car Parking

It is not possible for parents to use the staff car park to deliver or to collect their children from school. Parents should use the car park on Atherton Way for this purpose and not walk through the staff car park. Parents are requested to park responsibly and in so doing create a much safer environment for children. Car parking is also available in Tesco, Lidl and Fun Forest for park and stride opportunities.

Arrangements for dealing with complaints

Where a complaint cannot be satisfactorily dealt with through the class teacher, headteacher or governors the complaint procedure should be followed as outlined in the North Lincolnshire Complaints Policy Booklet, established under Section 409 of the Education Act 1996.

Road Safety

Road safety is taught as a component of a cross curricular safety theme. Cycling Proficiency is available to pupils in Year 5. Bike-ability plan and deliver theoretical and practical instruction on Safe Cycling.

Communication

Parents can stay in touch with school life through the Class Dojo app. Parents are provided with individual log ins in order to access staff messaging as well as being able to see their child's activities and achievements throughout the week.

The school has a Twitter feed and a wider array of information is available on the school website www.briggprimary.co.uk

School in the Community

We actively promote pupil's awareness of the wider community and seek opportunities to learn about local, national and global issues.

Spiritual, moral, social and cultural aspects of learning are high priority and staff take every opportunity to embed these aspects across the curriculum.

The school is regularly involved in fundraising for those in need, both nationally and locally. Community representatives such as religious leaders, the police and the fire service are regular visitors in school, promoting good relationships and common values.

We welcome parents into school regularly – to share Celebration assemblies, curriculum afternoons, sports days, concerts etc...

Library

Our library is open at lunchtime for children to read, choose and borrow books. We also hold weekly 'reading cafes' where parents can join their children in the library to share books.

If you would like any further information, please visit our website at www.briggprimary.co.uk

Information for Parents

Our Wraparound Care

We offer a safe, welcoming and enjoyable environment for children before and after school during term time (excluding staff training days).

Our sessions provide:

- Qualified, caring staff
- Healthy food and snacks
- Indoor and outdoor play
- Creative, active and themed activities
- Homework opportunities if requested

Session Times & Prices

Session	Time	Cost
Breakfast Club	7:45am – 8:45am	£4.00
After-School Care	3:30pm – 4:30pm	£5.00
After-School Care (with light tea)	3:30pm – 5:45pm	£10.00

Pupil Premium families receive a 50% discount.

Who Can Attend?

- Nursery to Year 6
- Limited places available

Booking Your Child

All sessions **must be booked and paid for in advance using Arbor.**

Booking deadlines:

- **Breakfast Club:** by **7:00am** on the day
- **After-School Care:** by **12:00 noon** on the day

Late bookings may only be accepted in exceptional circumstances and are subject to availability.

Food Provided

Breakfast Club

- Choice of cereals, Toast, Beans, Fruit, Yoghurts

After-School Care

- Healthy snack included in the first session.

- Children staying until 5:45pm receive a light tea plus fruit, vegetables, yoghurts and drinks.

Late Collection

Please contact school as soon as possible if you are delayed.

- Children collected after their booked session may incur additional charges.
- Children collected after **5:45pm** will be charged **£5 per 15 minutes** to cover additional staffing costs.

If a child has **not been booked** for Wraparound Care and is still in school after **3:45pm**, they will join the After-School session and the appropriate session fee will be charged.

Payment

- Payment is required **when booking**.
- Unused sessions due to illness or school closure will remain as a **credit on your Arbor account**.
- Tax-Free Childcare and eligible childcare voucher schemes can be used. Please contact the School Office for assistance.

Keeping Children Safe

Your child's safety is our priority.

All Wraparound staff:

- Hold Paediatric First Aid qualifications
- Receive safeguarding training
- Follow the school's Behaviour, Safeguarding and First Aid policies

Need to Contact Us?

During the school day

 School Office: **01652 652155**

For Wraparound enquiries during wraparound care times, please use the Wraparound contact number:

 **07707701780**

Please note this phone will not be monitored at any other time than when Wraparound Care is open.

We look forward to providing a fun, safe and enriching start and end to your child's school day!
